EXPERIENCE

Full Stack Software Engineer, Yup, *New York, NY* (Jan. 2020 – present)
- Early hire at a fast-paced, six-person startup building a social consensus layer for the internet that rewards users for their opinions
- Maintain, test, and add features to a web app and Chrome extension, collaborating with the marketing team to pitch and actualize ideas

General Manager, WBAR Radio, *New York, NY* (Sept. 2019 – May 2020)
- Responsible for the overall well-being and functionality of WBAR, Barnard's largest student organization of over 100 student DJs
- Oversaw weekly staff meetings, the organization of biannual concerts, and the management of the station's yearly $30K budget
- Hosted over 60 two-hour radio shows, researching music history, and curating playlists to highlight specific themes or musical genres.

Software Engineering Intern, Google, *Chicago, IL* (June 2019 – Aug. 2019)
- Google Data Liberation Front (Google Takeout Team)
- Engineered a project to expand user control of personal data by adding a highly-requested method of exporting data from Google products to an external location (i.e. OneDrive, Dropbox, Box).
- Sought input from the larger team and captured that input to author design documents, pitch the project to external teams, and ensure the longevity and stability of the project.

Teaching Assistant, Columbia University, *New York, NY* (Sept. 2018 – Dec. 2018)
- Partnered with the professor and a 16 student teaching staff to guide course trajectory, create grading rubrics, and organize a hackathon for current students and alumni of a course of over 300 students
- Boosted individual student comprehension through email correspondence and weekly office hours, and review sessions

Engineering Practicum Intern, Google, *New York, NY* (May 2018 – Aug. 2018)
- Doubled the coverage of a prober for a critical segment of Google Docs

Webmaster, WBAR Radio, *New York, NY* (Oct. 2017 – Sept. 2019)
- Worked extensively with DJs to fix individual technical issues and manage website administrative duties.

Cultural & Language Assistant, CIEE, *Seville, Spain* (Feb. 2019 – May 2019)
- Reviewed written English exercises, created presentations, assisted in planning lessons, and oversaw class activities to provide English language assistance to classes of Spanish students from ages 7-15.
